Corresponding Products

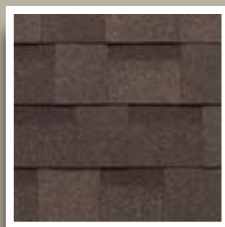

Ultra^{HP}

The "HP" stands for "High Profile", which means that they're also designed to enhance the architectural shake-like appearance and dimensional profile of premium laminated fiberglass shingles.

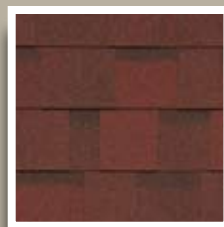

ARMOURGARD Ice & Water Protector

"Invisible" protection against roof leaks." Helps prevent water leakage due to ice dams and wind-driven rain. Armourgard also creates a self-sealing bond around roofing nails.

DRIFTWOOD*

RIVIERA RED

Limited wind warranty coverage up to 177 km/h for Cambridge 30 & 30 AR

Note: Cambridge 30 & 30 AR shingles designed with an straight cut.

†† Use of an approved underlayment beneath all fiberglass shingles is strongly recommended especially on roof slopes below 6:12. Class "A" Fire Resistance Rating is achieved only with the installation of an approved underlayment.

Note: Shingle swatches shown are as accurate as modern printing processes allow. Shingle chips shown do not fully represent the entire color blend range of the shingles. To ensure complete satisfaction please make your final color selection from several full size shingles and view a sample of the product installed on a home.
